A Dangerous Fall.

SATURDAY afternoon while little Roger Thomson, son of R. Q. Thomson, was leaning over the banisters in the 2nd story of Davis, Thomson & Isgrig's shoe store, he lost his balance and fell over the banisters to the floor below, a distance of about twenty feet. The little fellow's right arm was dislocated and the left arm was seriously sprained, and his nose was badly hurt. He was unconscious when he was picked up, and the fact that his arms struck first was all that saved him from being killed, as the force of the blow on his face and head was thus broken. The many friends of the bright little fellow are glad to hear that he escaped without the fracture of a bone.

Some Pertinent Facts.

THE New York Sun says that since Christmas there have been ten failures reported of concerns that made a specialty of goods intended for holiday presents. Some of these concerns carried large stocks, and were entitled to the designation "big." In one or two instances the stocks were valued at more than \$350,000. The noticeable thing about each of the collapsed concerns is that it did not advertise in the newspapers.

The stores that did advertise were crowded with customers from the commencement of the holiday season to the hour of closing the night before Christmas. They all report the greatest holiday business in years.

Eld. Z. T. Sweeney Urged.

A DISPATCH from Martinsville, Ind., to the Cincinnati Enquirer says: "Rev. Z. T. Sweeney, of Columbus, is being urged by not a few Republicans and party papers in this part of the State to become a candidate for the gubernatorial nomination next year. He was pastor of the Christian Church here twenty-five years. At present he is preaching at Richmond, Va. During the administration of President Harrison he served two years as Minister to Turkey. He is now serving his second term as Fish Commissioner of this State."

Heard In Court Circles.

Pete Manuel, a negro charged with assaulting and beating Bill Faunteroy, who was just recovering from a spell of sickness, was held over by Judge Webb yesterday for trial by the circuit court. Manuel has been evading arrest since Christmas eve when the assault occurred. Harry Walker, of Jacktown precinct, was fined \$12.50 by Judge Webb for getting drunk and riding his horse on the sidewalk. Judge Purnell yesterday sentenced Smoot Kennedy to the rock pile for thirty days for stealing coal from L. & N. freight cars.

Public Library Proposed.

A COMMITTEE composed of members of the various literary and musical clubs of Paris is considering a movement to erect in this city a building which shall be used as a public library, and a meeting place for the different clubs. The matter is now being discussed and a report will be made at the next meeting of the city federation of clubs, which will be held on the evening of the 27th. The project is a laudable one and THE NEWS hopes that the movement will be undertaken.

Clay, Jr., 118, A. H. B-dford 154, Gano Hildreth 155, Benj. Woodford 156, W. B. Woodford 157, and Alfred Clay 158.

Imperial spectacles and eyeglasses have perfect lenses, always perfectly centred and made of purest material, set in frames of the highest elasticity and consequently of greatest durability, united with the utmost lightness and elegance. When both frames and lenses are scientifically fitted by Dr. C. H. Bowen's system they always give satisfaction for they are perfect. Never buy cheap spectacles, nor of men who do not know how to fit them. You will get poorly adjusted spectacles, or poor, imperfect lenses, and are better off without any glasses than with either of these defects. Buy Imperial spectacles of a reliable, skillful dealer, and they will last longer without change and be cheapest in the end.

We have engaged the services of Dr. C. H. Bowen who will visit our store on the second and last Thursdays of each month and invite all to call and have their eyes examined, for which there is no charge. Satisfaction guaranteed or money refunded.
